ENGLISH EQUIVALENCY

VGC ENGLISH PROGRAM OUTLINE AND EQUIVALENCY CHART

At VGC International College's School of English Language, we are proud of our academic reputation. We have earned this through our exceptional teaching staff, well-designed English courses and personal attention to our students.

All of our students take a placement test upon arrival at VGC, to ensure that they are assigned to classes that are suitable for their needs and goals. We follow our students' progress carefully by counselling, guiding and helping them to achieve their language objectives. Our integrated approach allows our students to learn English in a more natural manner. We focus on proven methods that bring results efficiently and effectively.

All VGC levels are based on the Common European Framework of Reference (CEFR) and have equivalent

band scores for the IELTS Exam, TOEFL Exam and Cambridge Exams. This allows our students to have a full understanding of where they are in relation to all major international standards.

We are particularly proud of our teachers who work very hard to maintain an extremely high standard in the classroom while remaining friendly and approachable. We look forward to having you join us on your English language learning adventure.

To ensure student objectives are met, each VGC student receives a student folder where each student's work and progress is collected.

With that in mind VGC has opened a Writing Center with the aim of offering help and support to students who are at level 5 and higher. CONTINUING STUDIES

VGC online platform for our alumni only

Designed for VGC levels 1-8

VGC Levels	1	2	3	4	5	6	7	8
English Levels	Intro	Beginner	Elementary	Pre-intermediate	Intermediate	Upper Intermediate	Lower Advanced	Upper Advanced

For our English language students, one of the biggest challenges of studying English abroad comes when you go back home. When you are living in Canada and are speaking English every day you feel your skills improving every moment, but when you go back home you may find yourself losing some of the English skills you worked so hard to acquire. That's why we offer Continuing Studies, an online platform designed for our alumni to maintain the English level they achieved. We provide a new online English lesson every week, and they are divided into four categories: Reading, Writing, and Listening. By offering you the opportunity to practice and continue to learn English online, we want to make sure that you keep the English level that you graduated from VGC with. This is just one of the ways in which you will always remain part of the VGC family.

VGC ACTIVITIES

VGC INTERNATIONAL COLLEGE OFFERS ITS STUDENTS A WIDE VARIETY OF ACTIVITIES TO COMPLEMENT THEIR ENGLISH STUDIES

Here at VGC, we understand that your trip to Canada is more than just studying – it's the experience of a lifetime!
