# Quality you can trust

We have been running successful programmes for young learners for many decades.

Our professional team is focused on delivering the very best experience for every student.

# Official accreditation

Our year-round schools on the UK are registered with the UK Government Department for Education and inspected regularly by Ofsted.

All our UK summer centres are accredited by the British Council.

Kings is also a member of Young Learners English UK.

# Our top priority: care for our students

Caring for our students is a huge responsibility. We take it very seriously.

That's why our rigorous care and support programme is central to everything we do.

We have specific policies and procedures in place for all younger learners who attend our programmes.

# A world of friendship

Our students share great times with friends from all over the world.

Last year students from nearly 60 different countries enrolled on a Kings Young Learners course.

# Year-round academic programmes

We offer a range of programmes  
which are the perfect entry into  
British or American education.

# Our value promise

A young boy with dark hair, wearing a blue jacket over a striped shirt, is smiling and looking towards the camera. He is sitting at a desk with a young woman who has blonde hair and is wearing a grey off-the-shoulder top. They are both looking at a document on the desk. The background is slightly blurred, showing other people in a classroom or workshop setting.

At Kings we combine top quality  
with great value.

There is a huge amount included  
as standard in our programmes.

Here's what is included in our  
Summer Course.
