## What is the Global Leaders Summer Camp in Vancouver?

SSLC Global Leaders Summer Camp is a program designed specifically with young international students in mind. # Where does the program take place?

## The city of Vancouver

As one of the world's most famous cities, Vancouver offers a wealth of sight-seeing options and activities for anyone visiting. Whether it is enjoying the beauty around Stanley Park, taking in the sights or viewing the city from high atop Grouse Mountain, there is something for everyone to do. Home to the 2010 Winter Olympics, Vancouver is often praised as one of the most beautiful cities in the world. When you come to visit, you will surely understand why!

## UBC Campus Grounds & Classrooms

Located on the west side of Vancouver, the University of British Columbia is one of Canada's most famous and recognized universities. Students participating in the Global Leaders program will be studying on campus and living in one of the residences at UBC. In addition to the classrooms and residence, the vast University campus has so much to explore.

## English Lessons & Clubs

English Classes are approximately 12 to 15 hours of study per week, and the curriculum will be determined by both age and English ability. Whereas students with minimum knowledge of English will study the fundamental skills needed to communicate in English, such as listening, speaking, grammar, reading, writing and pronunciation, the more advanced students will learn about goal setting and will have a curriculum based around leadership skills. Our unique and original textbooks will be provided. Clubs are an opportunity for students to develop their English while practicing and learning other new skills. Students will choose to join either our sports or arts club. In each of these, the students will begin by practicing skills related to the themes or activities of the club, and then have the opportunity to put their skills to use through competition (in Sports Club) or presentations of their works (in Arts Club).
